ABOUT WEST

Hammersmith & Fulham (H&F) is a London Borough of wide disparities, with an acute need for youth services. This vast difference between those living in different parts of our borough can lead to radically different life outcomes. **WEST Youth Zone is a vital provision** that will make a huge impact on the lives of young people, and on the whole borough, levelling the playing field for our young people.

"WEST" Youth Zone, named **Where Everyone Sticks Together** by local young people, opened in April this year. At WEST, we believe all young people in West London should have the opportunity to discover their passion and their purpose and be able to explore where it can take them.

Our Youth Zone is a purpose-built space fizzing with energy and crammed with incredible facilities. **Staffed by talented, skilled and dedicated youth workers** who truly believe in young people, helping them see what they could achieve, and giving them the skills, confidence and ambition to go for it.

Open 7 days a week, while schools are closed - that's evenings and weekends, plus all through the school holidays. We offer a **safe and active space for young people** to flourish in their leisure time, where their interests can be nurtured, and they can grow as individuals. This is a charity that the whole community can be proud of, and you can be part of that journey.

We give 8 to 19-year-olds, (and up to 25 for young people with additional needs) affordable access to a broad range of sport, arts and mental health support, and employability services, designed to **empower them to lead healthier, positive and more active lives** – raising their aspirations for themselves and their community.
